

SUGGESTED SPECTATOR PATH

1.1 MILES

- 1 See your Savages out of the start corral and head straight to obstacle #3 Shriveled Richard and #4 Squeeze Play.
- 2 Your Savages will be on the backside of the property for the next 3 miles so you have time to grab a beer in the festival before you come back out to catch them at #24 Colossus and #25 Sawtooth.
- 3 Hurry back to the festival to see them tackle #26 Holy Sheet, #27 Big Ass Cargo, and #28 Blazed, before their mad dash to the finish line.
